

## **Entrepreneur Development Cell (EDC)**

Entrepreneur Development Cell (EDC) is functioning for enhancing the industry-institute relationship. The different kinds of activities which are followed in EDC are given below – arranging industrial visits, in-plant training and internship programmes to the students for getting practical exposure and knowledge in the industrial environment, providing internship training programme for the faculty members from industry to update their knowledge on present day industrial scenario and conducting awareness programmes on entrepreneurship skills. The EDC Cell invites experienced academicians, leading professionals with extensive corporate experience and entrepreneurs to address the students and thereby facilitate practical learning.

Entrepreneurship and Development Cell of GAC joined with EDI & ICTACT Chennai organized a Entrepreneurship Development Program on 05-02-2015. Another programme from 16-02-2015 to 20-02-2015. EAC (Phase I) was conducted for 300 students and EDP (Phase II) was also conducted for 20 students.
