

Program outcomes, program specific outcomes and course outcomes

Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed on website and communicated to teachers and students.

The college website, prospectus as well as the Annual Report states the mission objectives of all the departments of the college. These documents also highlight the achievements of the students and list the kind of jobs that students get after completion of the different programs. In the Orientation program for the first year undergraduate and postgraduate students. Program-specific outcomes of all the departments are highlighted through career options open to students after completion of the programs. The staffs share how the different courses shape their careers and thus help students appreciate the program. For each course offered by the college, a unique set of learning outcomes have been defined. These are linked to the broad program outcomes. Following effective pedagogic strategies, the faculty articulates the learning objectives and expected outcomes for each course at the beginning of the session as well as before each unit in the syllabus. This helps the students appreciate the topic being covered in class as they see the relevance. The syllabus depicting the learning objectives, program outcome and course outcome is readily available for students and teachers on the University and college website and College library.
